"Crossing over"
Joshua 3

Three principles of "crossing over" times:

1. Every great miracle in the Bible begins with an impossibility

   Principles: obstacles are inevitable

   "All things are difficult before they become easy." Thomas Fuller

2. Every great miracle in the Bible asks for the participation of God's people

   How can we participate?

   A. Get yourself ready

      "For the eyes of the Lord range throughout the earth to strengthen those whose hearts are fully committed to him." 2 Chronicles 16:9

   B. Get your feet wet
   C. Get behind the right people

      "Plans fail for lack of counsel but with many advisers they succeed" Proverbs 15:22

      "Pride only breeds quarrels, but wisdom is found in those who take advice." Proverbs 13:10

3. Every great miracle required a dependency upon God's intervention
